You do not have to go into the garage and start your engine and turn on the lights, and you can find it, regardless of the type of car you

have. It does not matter.
However, if you are not allowed
to modify the body, and you
know that in the future you have
a period of time and you want to
live in a classic car, you will have
to do something. A fake body is
not the solution you want to use.
