Overview The DMHA administers a public affordable housing program and also provides financing, development, property management, oversight, and technical assistance to nonprofit organizations and local public housing authorities throughout Iowa. The DMHA is governed by a five-member board of directors. Board members are appointed by the mayor of Des Moines. In 2014, approximately 9,000 units of affordable housing were managed by the DMHA. As of December 31, 2015, the DMHA operated 100% of the affordable housing programs in the county.
