High-Logic FontCreator Professional Crack is a professional font editor that allows you to change and edit the appearance and appearance of your text as well as enhance and decrease the size of text. It is a product of a company called High-Logic, Inc..An individual in Ohio was killed by a mama bear and her two cubs on Christmas morning, reports CBS affiliate WOIO. The two-year-old bear family left their picnic basket near a house just north of Findlay, Ohio, and attacked its owner, who was out for a walk with his two sons, ages 8 and 10. The family called 911 and fled into the woods. A motorist on the road witnessed the attack and stopped to help, but the victim's family also fled. He was found by police in the woods, critically injured but alive, according to court documents. The man was taken to an area hospital, where he later died. Get Breaking News Delivered to Your Inbox The man's family told police the bear's teeth went through his ankle and punctured his calf. They said they shot at the animals a couple of times. A necropsy Monday found the family's dog was killed, as well as the mama bear's third cub. The mama bear had two cubs with her, which attacked the
