, setup vs98ent stf download , download vs98ent stf vs98ent stf vs98ent stf I noticed that the case in which it caused trouble is when VS was installed to the C:\ drive, and then the user that the self-install of VS was going to execute it. I haven't tried it myself. Another thing to check is the Windows service name under Control Panel \ Services \ Service Cdrom and see if there's a Vs98ent.stf entry. Also, if you can boot with a LiveCD, it would be a good way to see if VS98.stf can be run there. _____Bruce W.Secretary of State Mike Pompeo will travel to Saudi Arabia on Monday, U.S. officials tell Fox News, in a bid to persuade the kingdom to cease Iranian aggression in Yemen and elsewhere. The officials, who spoke on the condition of anonymity due to the sensitive nature of the diplomatic engagement, told Fox News Pompeo plans to: Meet with Saudi officials to highlight Iran's destabilizing conduct across the Middle East. Request an end to Iranian arms shipments to Houthi rebels in Yemen. Continue the U.S. effort to call for Iran to meet its obligations under the 2015 nuclear agreement. The officials stressed there is no scheduled meeting with Iranian officials. The State Department declined comment on Monday afternoon on whether the meeting with Saudi Arabia was scheduled. The State Department in February announced the U.S. would suspend future nonessential travel to Iran as tensions heightened in the wake of the downing of a U.S. drone and the missile and drone attacks on Saudi Arabian oil facilities, and seek to pressure Tehran into abandoning an arms program that would contravene the terms of the nuclear deal. Pompeo's visit to Riyadh comes a day after he met with a bipartisan group of senators in the U.S. Capitol to discuss how to respond to the attacks. The White House statement on the talks in Washington had been "clarifying" U.S. policy toward Iran, but indicated that there would be no meeting with Iranian officials. Pompeo, meanwhile, on Sunday called on Yemen's Houthi rebels to surrender the international airport in Sanaa, which they have held for years, as part of a deal to restore the Hadi government. "A strategic victory for the Houthis, or a total stal
