A novel role-playing game inspired by Japanese video games and classic Japanese light novels. Available in English and Japanese editions. About This Content All the characters will start with a certain amount of experience, and you will be able to receive EXP in combat. Also, you will be able to tell the story with different endings. Will it all end badly, or will you succeed and take control of the King of Monsters? Chinmoku Diary 2 is a text-based visual novel developed by ZAIN Design Studio, makers of the award-winning Fuuka and Ginei no Densetsu series. It was a game that took a while to make, and we had a lot of fun while we were making it. Chinmoku Diary 2 is a side-scrolling visual novel. About This Content Make your friends and enemies turn on each other and discover the hidden reasons for why they think and act the way they do. Your decisions will play a big role in who you are left with at the end. Will you succeed in winning your friends hearts, or will your jealous lover destroy you? Chinmoku Diary 2 is an intellectual take on text-based visual novels, that tells a story within a story where you'll be able to see both the good and the bad side of people in the game. Choose a role, interact with the game and let the story of friends and enemies play out. Who will you end up falling for? In this text-based visual novel, choose between two sides of the same conflict. How far will your romance reach? Experience an intense personal journey in the story of friends and enemies. Take this side-scrolling visual novel anywhere you like. Escape the love triangle and help your friends get back together. Discover the real reasons behind why they do what they do, and finally, realize who will love you the most. Choose a role, and pick the light of love or the darkness of hate. Give your friends the love they deserve. Funny side-stories with every ending option. Replay the story and see where it goes from here. Incredible bonus content. About This Content Influence your friends' decisions, who will be your love rival and who will leave you. Choose a side in the conflict, and you will be able to see both the good and the bad side of people in the game. Choose the right path to love and influence all of your friends' decisions.
