Attack The weapon is an essential part of your character and you must learn to recognize different angles and timings. You must not only be able to attack, but also understand how to evade, because enemies will not stand still for long. Wield a rod for attacking. While holding the attack button, drag your finger left or right, or up or down. Magic Magic is the quintessential power that changes everyday life and allows you to discover unseen possibilities. You can also use your own intelligence to craft magic. Throughout the game, you will discover the major spells known as "Magic." Identify the stance for using magic. To cast a spell, press the corresponding magic button. While holding the button, drag your finger left or right, or up or down. Guard If you simply stand there, you will be attacked. All enemies attack when they see their enemy is idle. Grasp your staff and move it from side to side to block enemy attacks. When you hold the shield button, you will activate the shield effect. You can move the shield both horizontally and vertically. When you use the shield, press the button for a quick guard to activate. Dual Wield Dual Wield allows you to draw power from multiple weapons, and support allies by using the right weapon at the right time. Recovery If you are hit, you will lose much more HP than other players will. You will recover health while standing still, which also affects the cooldown of your spells. To recover health, press the Left Directional button. The world of Tarnished. The lands between the world of the living and the dead. Unlike the lands of the living, this world is filled with excitement. The legendary Elden Ring seeks to destroy the world of the living in order to bring more hope for the dead. Their pursuit of revenge is so strong that they become a malicious force and take control over the dead. You, the hero, are a Tarnished, one who has lived an ordinary life. However, when you awoke in the Underworld, you were transformed into an Elden Lord. To protect the dead, you have to keep the world of the living safe. Now that you have entered the world of the dead, it is time for you to seize your destiny. The Scenario.

How to play game online ELDEN RING: 1.Create an account and register your game. 2.Log in, and enter the destination name. 3.From the dropdown menu, click on "Join Game", and select your game. 4.If the option to connect to the game you want to join is not available, open a game in Progress View Mode and change the destination name. Game Instructions: Before you can play the game, you must first make a character that will serve as your avatar. A character is defined by a four-part structure: appearance, gender, attributes, and class. Appearance: The way the character looks, such as his or her hairstyle, hair color, clothes, and facial expressions. Attributes: The stats that define how the character will perform in battle. Class: The role the character will assume in the game. Based on your choices at the character creation screen, the characteristics and stats of your character are set. 1) The first appearance screen gives you five choices: Warrior, Ninja, Marauder, Sorcerer, and Warrior-Ninja. 2) In the Character Attributes screen, in the top box, select a class. Then, fill in the box below with the number of attributes you choose. 3) In the bottom box, choose the profession of your choice. For example, "Warrior" is the choice for a warrior. 4) In the middle boxes, you will see the number of attributes for each of the characteristics. 5) The last screen is the Statistics screen. You can select characteristics here. For example, for Female Characters, your Attribute Choice is "2" and your Statistics are "1" for Strength and "1" for Intelligence. 6) After you have completed all this, click on "Create Character". 7) Your character will begin to appear. Character Classes: Warrior: Warriors are excellent in hand-to-hand combat. Ninja: The skill of their attack is powerful and their defense is excellent. Marauder: Mages are good at magic. Sorcerer: Sorcerers possess excellent
